2013 CAT 140M2 VHP WITH 8,000 HRS

$ 249,900.00

2013 Caterpillar 140M2 Grader — VHP Plus — 14ft Blade — MS Ripper — Push Block — 17.5 Tyres — 8,000hrs (only ~6,300 working) — Serviced with Powertrain Warranty

Make: Caterpillar | **Model:** 140M2 VHP Plus | **Year:** 2013 | **Hours:** 8,000 (1,700 idle / ~6,300 working) | **Blade:** 14ft | **Tyres:** 17.5

A well-specced and honestly-presented 2013 Caterpillar 140M2 motor grader — one of the most popular and versatile graders in the Australian civil and council market. Powered by the proven **Cat C9.3 ACERT engine with VHP Plus (Variable Horsepower Plus)**, which automatically increases available power through the gears for superior performance in every application. Fitted with a **14ft moldboard**, **genuine CAT MS multi-shank ripper**, **front push block**, and **17.5 tyres**. While the meter reads 8,000 hours, **1,700 of those are idle hours**, meaning only around **6,300 genuine working hours** — an honest distinction that experienced buyers value. **Sold fully serviced** with a comprehensive **workshop report** and a **3-month Makin Traks powertrain warranty** for peace of mind. Prepared through our brand-new purpose-built facility on the Sunshine Coast QLD. Ready to earn from day one.
