A powerful, low-hour 2018 Caterpillar D7R XL dozer — the legendary, tough-as-nails Cat production dozer that operators worldwide trust for its simplicity, reliability and brute pushing power. With only **6,400 hours**, this is a genuinely low-hour example. Powered by the proven **Cat C9 ACERT engine delivering 240HP**, and importantly in the sought-after **NON-DPF / NON-ADBLUE configuration** — no emissions-system hassles, just simple, reliable running. Set up for serious work with an **SU (Semi-Universal) blade** for high-volume dozing and a **4-barrel (3-shank) genuine CAT MS ripper** for tearing into the hard stuff. The tag-link blade mounting and elevated-sprocket undercarriage deliver excellent balance, penetration and durability. Comes with a **fresh 250-hour service**, comprehensive **workshop report**, and a **3-month Makin Traks powertrain warranty**. Prepared through our brand-new purpose-built facility on the Sunshine Coast QLD. Ready to earn from day one.
