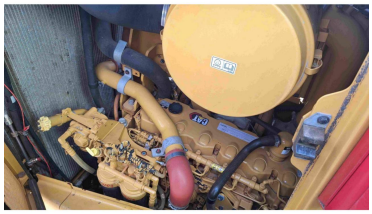
2022 D7 NEXT GEN WITH 7,400 HRS

$ 579,900.00

2022 Caterpillar D7 Dozer — ONLY 7,400 Hours — NON-DPF / NON-ADBLUE — 265HP — ~30 Tonne — SU Blade — 4-Barrel MS Ripper

Make: Caterpillar | **Model:** D7 (Next Gen) | **Year:** 2022 | **Hours:** 7,400 | **Power:** 265HP | **Weight:** ~30t | **Emissions:** Non-DPF / Non-AdBlue - Less than 30ltrs/hrs | **NO PILOT required for transport**

A powerful, late-model 2022 Caterpillar D7 dozer — one of the most capable production dozers in its class, and in the sought-after **NON-DPF / NON-ADBLUE configuration**. With only **7,400 hours**, this is a genuinely tidy example of Cat's current generation D7. Powered by the proven **Cat C9.3B engine**


delivering 265HP through a smooth **fully automatic 4-speed transmission with lock-up clutch** that continuously adjusts for maximum productivity. Set up for serious work with a **SU (Semi-Universal) blade** for high-volume dozing and a **4-barrel (4-shank) genuine CAT MS ripper** for tearing into the hard stuff. The elevated-sprocket undercarriage protects major components from shock loads and makes servicing easier. Comes with a **fresh 250-hour service** and comprehensive **workshop report** through our brand-new purpose-built facility on the Sunshine Coast QLD. Ready to earn from day one. This D7 has **great fuel economy**, able to use less than **30 litres per hour** which is similar to a smaller D6T and 15 litres per hour **less** than a D8T.
