Make: Caterpillar | **Model:** D6 (Next Gen) LGP | **Year:** 2020 | **Hours:** 6,700 | **Power:** 215HP | **Weight:** ~24t | **UC:** 70% remaining

A premium 2020 Caterpillar D6 Next Gen LGP dozer — the current-generation machine that Caterpillar renamed from the legendary D6T, now with more power, more weight and the latest technology. Powered by the proven **Cat C9.3B engine delivering 215HP** through a smooth **fully automatic 4-speed transmission** that continuously adjusts for maximum efficiency and power to the ground. The **LGP (Low Ground Pressure) configuration** gives excellent flotation for soft ground, land forming and finish work. This one is set up right: a **brand new genuine CAT MS multi-shank ripper fitted**, **CAT factory sweeps**, and a healthy **70% undercarriage remaining**. Comes with a **fresh 250-hour service**, comprehensive **workshop report**, and the usual **Makin Traks 3-month powertrain warranty**. Prepared through our brand-new purpose-built facility on the Sunshine Coast QLD. Ready to earn from

day one.
