2022 CAT D4 LGP WITH ONLY 5,200 HRS

$ 279,900.00

2022 Caterpillar D4 LGP Dozer — 130HP — ~14 Tonne — 5,200 VERIFIED ECM Hours — New MS Ripper Fitted — Fresh 250hr Service — Powertrain Warranty

Make: Caterpillar | **Model:** D4 LGP (Current Generation) | **Year:** 2022 | **Hours:** 5,200 (VERIFIED via ECM) | **Power:** 130HP | **Weight:** ~14t | **Configuration:** LGP (Low Ground Pressure)

A premium 2022 Caterpillar D4 LGP dozer — the latest-generation machine that replaced the renowned D6K2, delivering superior performance, a smooth hydrostatic transmission and the broadest choice of grade-control technology in its class. Configured with the highly sought-after **LGP (Low Ground Pressure) undercarriage** for superior flotation and finish quality on soft ground. **Genuine 5,200 hours VERIFIED via the machine's ECM** — not just an hour-meter reading, the real electronic record. Comes with a **FRESH 250-hour service**, a **BRAND NEW MS multi-shank ripper fitted**, and a **powertrain warranty** backed by Makin Traks. Fully workshop-reported through our brand-new purpose-built facility on the Sunshine Coast QLD. Ready to earn from day one.
