Brand new 2026 Rippa RS03 stand-on mini skid steer loader — the compact, nimble workhorse that moves material faster than a team with wheelbarrows. Powered by the proven American-made Briggs &

Stratton XR2100 13.5HP petrol engine — reliable, easy-starting, low-vibration and fuel-efficient. Its narrow stand-on design fits through standard gates and tight backyard access, making it the perfect machine for homeowners, landscapers, fencing crews and hire fleets working in confined spaces. Comes with a 4-in-1 bucket included — dig, scoop, grade, grab and dump, all from one attachment — plus heavy-duty rubber tracks for low ground pressure and grip on soft ground. Fully prepped through our brand-new purpose-built workshop on the Sunshine Coast QLD. Ready to work straight off the trailer.
