

2019 CAT 299D2 WITH 940 HRS

\$ 149,900.00

2019 Caterpillar 299D2 Compact Track Loader — ONLY 940 Hours — High Flow XPS — Two Speed — 4-in-1 Bucket Included

Make: Caterpillar | **Model:** 299D2 | **Year:** 2019 | **Hours:** 940 | **Engine:** Cat C3.8 (95HP) | **Hydraulics:** High Flow XPS | **Drive:** Two Speed

A genuinely low-hour, high-spec 2019 Caterpillar 299D2 compact track loader — with just **940 hours** on the clock, this is about as tidy as a used 299D2 gets. The 299D2 is Cat's biggest and most capable D-series compact track loader, powered by the proven **Cat C3.8 turbo engine** with the **High Flow XPS hydraulic system** delivering up to **120 L/min at 4,061 psi** — the high hydraulic horsepower that power-hungry attachments like mulchers, cold planers and stump grinders need to perform at full production. Fitted with **Two Speed travel** for productive ground speed, and sold with a **4-in-1 bucket included** (tilt bucket available at additional cost). Prepared with a **fresh 250-hour service** and comprehensive **workshop report** through our brand-new purpose-built facility on the Sunshine Coast QLD. A premium, near-new-condition machine ready to earn from day one.
