Make: Caterpillar | **Model:** D5 (Next Gen) | **Year:** 2020 | **Hours:** 5,000 | **Power:** 170HP | **Weight:** ~19t | **Emissions:** Non-DPF / Non-AdBlue

A genuinely low-hour, late-model 2020 Caterpillar D5 Next Gen dozer — with **only 5,000 hours** and, importantly, in the sought-after **NON-DPF / NON-ADBLUE configuration**. This is the current-generation machine that Caterpillar renamed from the legendary D6N, now more powerful and up to 16% more fuel-efficient. Powered by the proven **Cat C7.1 engine delivering 170HP** (35HP more than the D6N it replaced) through a smooth **fully automatic 3-speed transmission** with lock-up clutch for faster cycle times and easy operation. Fitted with a **genuine CAT MS multi-shank ripper** and set up for serious production work at ~19 tonnes. Comes with a **fresh 250-hour service** and comprehensive **workshop report** through our brand-new purpose-built facility on the Sunshine Coast QLD. Ready to earn from day one.
