A superbly-presented 2020 Caterpillar D6R2 XL dozer — the legendary mechanical-drive, differential-steer CAT dozer that operators worldwide trust for its simplicity, reliability and brute pushing power.

Powered by the proven **CAT C9 ACERT engine (200HP)** with a single-stage torque divider and electronically controlled power-shift transmission that puts maximum power to the ground. Best of all, this machine is being sold with a **BRAND NEW Berco undercarriage** — a massive value-add that saves the next owner tens of thousands of dollars — plus a **next-gen high-lift genuine CAT MS ripper**, an **SU (Semi-Universal) blade** for high-volume dozing, **differential steering**, and **non-DPF / non-AdBlue** configuration with **tank guarding**. Comes with a **fresh 250-hour service** and comprehensive **workshop report** through our brand-new purpose-built facility on the Sunshine Coast OLD. Ready to earn from
