

2020 JOHN DEERE 772GP AWD WITH 7,400 HRS

\$ 369,900.00

2020 John Deere 772GP Motor Grader — 6WD All-Wheel-Drive — 7,400 Hours — 275HP — 14ft Blade — Two Configurations Available

Make: John Deere | **Model:** 772GP Grade Pro | **Year:** 2020 | **Hours:** 7,400 | **Drive:** 6x6 All-Wheel Drive

A premium 2020 John Deere 772GP Grade Pro motor grader — one of John Deere's largest 6-wheel-drive graders, configured with the highly sought-after **6x6 all-wheel-drive system** for serious mine, civil, and council work. Powered by the proven **John Deere PowerTech 9.0L** engine delivering **275HP** and an impressive **22.4 tonne blade pull**. Fitted with a **14ft moldboard**, **MS multi-shank ripper**, **17.5R25 Bridgestone radial tyres**, and factory **front and rear auxiliary hydraulics**. Available in **two configurations** — with a **push block** for site/civil work, or with a **front blade and lift cylinder** for snow-plough, dual-blade and finishing applications. Fully serviced and workshop-reported through our brand-new purpose-built facility on the Sunshine Coast QLD. Ready to earn from day one.
