

2021 JOHN DEERE 772GP WITH 5,000 HRS

\$ 359,900.00

2021 John Deere 772GP Motor Grader — ONLY 5,000 Hours — 275HP — 6WD — 14ft Blade — New MS Ripper — Hydraulic Front Lift — Joystick Controls

Make: John Deere | **Model:** 772GP | **Year:** 2021 | **Hours:** 5,000 | **Power:** 275HP | **Drive:** 6WD | **Blade:** 14ft | **Tyres:** 17.5

A genuinely low-hour, late-model 2021 John Deere 772GP motor grader — with **only 5,000 hours** on the clock, this is one of the tidiest 772GPs you'll find. The 772GP is John Deere's flagship production grader, powered by the proven **John Deere PowerTech engine delivering 275HP** through a smooth **direct-drive PowerShift Plus transmission** with shift-on-the-go and Event-Based Shifting. Full **6WD (six-wheel drive)** for maximum traction and grading control, all-hydraulic power-frame articulation, and crab steering for precision work. Set up with a **14ft moldboard, hydraulic front lift group** (to run a front blade — or we can swap it out for a push block to suit your needs), **17.5 tyres**, and modern **EH joystick controls** for low-fatigue, precise operation. A **brand new genuine MS ripper will be fitted** before sale. Comes with a **fresh 250-hour service**, comprehensive **workshop report**, and the usual
