with a **TELESCOPIC BOOM** for extended reach and lift height, a **fully articulated 4x4 drivetrain** for serious traction and tight-space manoeuvrability, and a smooth **hydrostatic transmission** for effortless infinitely-variable speed control. Powered by the **genuine Kubota D1105 25HP diesel engine** — the global standard for reliability and parts support. Supplied as a complete package with **BOTH a hydraulic 4-in-1 bucket AND pallet forks INCLUDED**, so you can load, dig, grade, grab, and shift pallets from day one. Fully prepped through our brand-new purpose-built workshop on the Sunshine Coast QLD. A genuinely premium-spec compact loader ready to work straight off the trailer.
