

1993 CAT D6H XR DOZER WITH 13,500 HRS

\$ 164,900.00

1993 Caterpillar D6H XR Dozer — 13,500 Frame Hours — New Head, Oil Cooler & Water Pump — SU Blade — Sweeps, Rear Screen & MS Ripper — Job Ready

Make: Caterpillar | **Model:** D6H XR | **Hours:** 13,500 (frame) | **Engine:** Cat 3306 | **Blade:** SU | **Weight:** ~18-19t

A genuine, reliable daily-working Caterpillar D6H XR dozer — the legendary Cat workhorse that operators trust because it's simple, tough and easy to keep running. This one has just had the important work done: a **new cylinder head**, **new oil cooler** and **new water pump**, and it's been **fully serviced** and is **job ready**. Powered by the proven **Cat 3306 diesel**, it's set up for production work with an **SU (Semi-Universal) blade**, **MS multi-shank ripper**, **sweeps** and a **rear screen**, on the wide-gauge **XR undercarriage**. The **interior is very original** — an honest, unmolested machine. Prepared through our brand-new purpose-built facility on the Sunshine Coast QLD.

PRICE: \$164,900 + GST
