

2016 JOHN DEERE 772G 6WD WITH 6,500 HRS

\$ 297,900.00

2016 John Deere 772G Motor Grader — 6,500 Hours — 275HP — 6WD — 14ft Blade — MS Ripper — Push Block — Serviced with Powertrain Warranty

Make: John Deere | **Model:** 772G | **Year:** 2016 | **Hours:** 6,500 | **Power:** 275HP | **Drive:** 6WD | **Blade:** 14ft | **Weight:** ~20.5t

A well-specced 2016 John Deere 772G motor grader — John Deere's flagship production grader, and a genuine workhorse for haul roads, mine sites, outback tracks and civil work. With **6,500 hours** on the clock, it's got plenty of productive life ahead. Powered by the proven **John Deere PowerTech PSS 9.0L 6-cylinder turbocharged engine delivering 275HP** with a strong 50% net torque rise and 49,500 lb of blade pull. Full **6WD (six-wheel drive)** with automatic dual-path hydrostatic drive gives serious traction and front-end control, and the **Event-Based Shifting** transmission delivers smooth, precise gear and direction changes. Set up for work with a **14ft moldboard**, **MS ripper** and **front push block**. Comes with a **fresh 250-hour service**, comprehensive **workshop report**, and a **3-month Makin Traks powertrain warranty**. Prepared through our brand-new purpose-built facility on the Sunshine Coast
