

2019 CAT D6K2 XL WITH ONLY 3,000 HRS

\$ 289,900.00

2019 Caterpillar D6K2 XL Dozer — ARO-Wired 6-Way Blade — 3,000 Hours

Make: Caterpillar | **Model:** D6K2 XL | **Year:** 2019 | **Hours:** 3,000 (exceptionally low) | **Configuration:** XL
(Extra Long undercarriage)

A genuinely low-hour 2019 Caterpillar D6K2 XL dozer — one of Cat's most popular finish-grading and light civil machines, with the **XL extra-long undercarriage** for superior stability and finish quality. Powered by the **Cat C4.4 ACERT twin-turbo 4-cylinder diesel**, with the option of an **in-house AdBlue & DPF delete kit** available on request for improved reliability and fuel economy. Fitted with a factory **ARO (AccuGrade Ready Option) wired 6-way VPAT blade**, **genuine CAT multi-shank ripper**, plus **sweeps and screens** for forestry, scrub and fire trail work. Fully serviced and workshop-reported through our brand-new purpose-built facility on the Sunshine Coast QLD. Ready to earn from day one.

PRICE: \$289,900 + GST
