

NEW 2026 JCB 540-180 TELEHANDLER

\$ 185,900.00

Brand New 2026 JCB 540-180 Hi-Viz Loadall Telehandler — 4,000kg Lift Capacity — 18m Lift Height — Pallet Forks & Genuine GP Bucket Included — Stage V — No DEF/AdBlue

Make: JCB | **Model:** 540-180 Hi-Viz Loadall | **Year:** 2026 (Brand New) | **Lift Capacity:** 4,000kg | **Lift Height:** 18m | **Engine:** 75HP JCB Stage V

A **brand new 2026 JCB 540-180 Hi-Viz Loadall** telehandler — from the world's number one telehandler manufacturer. This is a serious high-reach machine, boasting an **impressive 4,000kg lift capacity and 18-metre lift height** with up to 10.47m of forward reach — ideal for construction, steel erection, roofing, block-and-brick, agriculture and hire fleets. Powered by the efficient **75HP JCB DieselMAX Stage V engine** that achieves emissions compliance **without needing DEF/AdBlue injection**, keeping servicing simple. The clever **4-piece proportional boom** extends and retracts smoothly in one movement, while JCB's SMART regenerative hydraulics cut cycle times by up to 20% and fuel use by 4.4%. The **Hi-Viz cab** with low boom pivot delivers class-leading all-round visibility and safety. Supplied with **pallet forks AND a genuine JCB GP (general purpose) bucket** so you can lift, carry and load from day
