$ 8,500.00

4.0m Heavy Duty Folding Stick Rake $9,750 + GST

New Makin Traks design • Built to Australian spec • Suits D3 to D6 size dozers • Swing-out folding wings — Makin Traks, Sunshine Coast QLD

- **THE ONLY SWINGING FOLDING RAKE IN THE COUNTRY PRICED UNDER $10K**
- **4.0m working width • 14 Bisalloy 450 tynes • Folds in — NO PILOT REQUIRED**
- **12-MONTH STRUCTURAL WARRANTY ON BEAM & WELDS**

Our 4.0m Heavy Duty Folding Stick Rake gives you the width of a big clearing rake with none of the transport headaches. A **swing-out folding wing on each side** takes the rake from 3.4m to a full **4.0m working width with 14 tynes**, so you cover more ground on every pass. When the job's done, swing them back in and move the machine **without a pilot vehicle**. Built for **D3 to D6 size dozers** on a **200mm x 200mm box section main beam with 18mm wall**, with **Bisalloy 450 tynes, 400mm long**. And at **$9,750 + GST**, it's the only swinging folding rake in the country priced under $10K.
